JUDGE PRESIDENT'S CONSOLIDATED DIRECTIVE

(18 SEPTEMBER 2020 CONSOLIDATED DIRECTIVE)

IN RE: COURT OPERATIONS IN THE PRETORIA AND JOHANNESBURG HIGH COURTS DURING THE EXTENDED COVID-19 NATIONAL STATE OF DISASTER

These directives are issued in terms of the authority vested in the Head of Court in terms of section 8(4) (b) of the Superior Courts Act 10 of 2013 and in conformity with the directives of the Chief Justice dated 17 March and 17 April 2020. The provisions of the Uniform Rules of Court will apply and will be strictly enforced.

1. Unless specifically stated otherwise herein, the directives are effective immediately upon publication on 18 September 2020. The Consolidated Directive issued on 11 May 2020, Protocol re Media access to Court proceedings issued on 4 June 2020, Protocol re the issuing of warrants of execution and subpoenas issued on 11 June 2020 and

Notice: Extension of the 11 May 2020 Consolidated Directive issued on 2 August 2020 are withdrawn and replaced with this Consolidated Directive.

2. These directives set out how, and under what conditions, matters are to be issued and how all matters enrolled and pending in the Gauteng Divisions shall be handled and attended to during the continuing national state of disaster declared in terms of the Disaster Management Act 2002, Act No 57 of 2002. The Directives shall apply until they are either withdrawn, amended or superseded by other directives. Covid-19 related restrictions in movement and gatherings remain and prudent behaviour to minimise exposure to infection, informs the policy choices made in these directives.
3. Where timeframes for submission of notices/legal process and roll closure differ from those in the Practice Manual or existing Practice Directives, the time frames in this Directive are imposed for practicality and shall prevail for the duration of the national state of disaster.
4. The general principle to be observed is that physical proximity and contact among persons be eliminated or minimized. To this end:
 - 4.1 In accordance with the practice in the High Courts of the Gauteng Division, pursuant to Directive no. 1 of 2020 (the CaseLines Directive) all pleadings and documents must be uploaded in all matters to the CaseLines digital platform, save for Full Bench and Full Court Appeals in which the electronic transcript or record is not available.
 - 4.2 It is the responsibility of litigants and their legal representatives to comply with the practices of the Division and that includes the duty to upload papers on the electronic case file on CaseLines as provided in the CaseLines Directive. Where that has not been done and a satisfactory explanation can be proffered to the Judge, the failure to upload may be condoned. However, the basic principle is that the particular hearing must be an effective one and the Judge seized with the matter shall exercise a discretion as to whether or not that objective can be achieved where the papers are not uploaded.

- 4.3 Matters on paper (Appeals and Applications) shall not, except where directed otherwise by the Judge seized with the matter, enjoy an oral hearing in open Court. Submissions may be advanced via CaseLines or via email, as stipulated in this Directive, and oral hearings may be dealt with by video conferencing where Parties wish to be heard orally, in accordance with ad hoc directives issued by the Judge seized with the matter(s), which are appropriate to the circumstances.
- 4.4 Subject to the stipulations set out below, matters that require oral evidence to be adduced may be conducted in open Court.
- 4.4.1 The Parties must canvas their preferred mode of hearing in their practice note for the roll call sent to the DJP or ADJP.
- 4.4.2 If all Parties are in agreement on a preference for an open Court hearing, the Judge allocated to hear the matter shall, having considered the Parties' canvassed views, nevertheless retain the discretion to pronounce on the mode of hearing.
- 4.4.3 Where the Judge holds the view that an open Court hearing poses a risk of infection, the Judge shall determine an appropriate alternative mode of hearing, which may include receiving evidence on affidavit or the utilisation of video conferencing.
- 4.4.4 The Judge may, despite agreement or the absence thereof between the Parties on an open Court hearing, on good cause shown that a virtual hearing will be inadequate to achieve a fair trial, order a wholly or partially open Court hearing, or, having regard to the provisions of paragraph 4.4.3 and where considerations of the interests of justice are concerned, postpone the hearing until such time that an open Court hearing may become appropriate. If a matter is postponed for this reason the wasted costs, if any, shall be reserved for the ultimate trial Court to decide.

- 4.4.5 Where the Judge orders that the whole or a part of a hearing is to be held in open Court, the proceedings shall take place under stringent health precautions as to (1) social distancing, (2) numbers of persons attending the hearing (3) the wearing of face masks and (4) personal and Court-room sanitising.
- 4.4.6 Access to the Court room, seating arrangements, sanitising etiquette and related arrangements shall be directed by the Judge's Secretary whose directions must be observed without demur.
- 4.5 Civil trials in which expert testimonies are to be made or where certain parts of a trial do not require a hearing in open Court, may be heard via video conferencing. The Judge seized with the matter shall in such instance give directions on the logistics as per the provisions set out in paragraphs 233 to 241 of this Directive.
- 4.6 The Judge seized with a matter in which video conferencing is used as per the provisions in paragraphs 233 to 236 of this Directive, shall, if the Court is not in a position to host the video conference, exercise a discretion as to any responsibility to set this up as well as the liability for the cost implications of such utilisation.
- 4.7 A litigant that wishes to make oral submissions is entitled to do so and the Judge seized with the matter shall exercise a discretion as to how that can be facilitated. This implies that to facilitate an effective oral hearing, the matter may be handled as provided in 4.4 above.
- 4.8 Criminal Trials are to be conducted in open Court hearings in line with the provisions of paragraph 4.4.5 and 4.4.6 save in instances where the fairness of the trial will not be adversely affected if certain parts of the trial are conducted via a virtual hearing e.g. when expert evidence is adduced as well as oral argument. The Presiding Judge in such matters shall use his/her discretion on the mode of hearing in such instances. The provisions of 233 to 236 and 237 to 241 of the Directive shall become applicable.

CREATION OF ELECTRONIC FILES FOR ISSUED (PENDING) CASES

5. In terms of this Directive, where no electronic file is in existence on CaseLines for issued and pending cases, Legal Practitioners must create those cases on the CaseLines system and thereafter invite Parties and/or their Legal Representatives to each created case they are involved in. Upon invitation to a case on the CaseLines system, the Legal Representatives may invite all their respective Counsel to the case, where Counsel is briefed. A file must be created only once and if a file has already been created by the Registrar, no new/additional file must be created. Legal Representatives should therefore search through their individual case lists to establish if an electronic file is already in existence for a particular matter prior to creating a file. Where duplicate files have been created, the Judge's Secretary must be alerted to determine the file that will be used and to close and archive the duplicate file(s).
6. Prior to the enrolment of any matter or the allocation of a hearing date, the litigating party or its representative is to upload a Directive Compliance declaration in the form of an affidavit which is to confirm that no duplicate file for the matter exists on CaseLines and that all the Parties/their representatives have been invited to the matter on CaseLines. The names of all Parties/their representatives and their telephone numbers and email addresses should reflect on the declaration. Where no affidavit is filed, the Registrar cannot allocate a hearing date.
7. To create a case:
 - 7.1 The Plaintiff's/Applicant's legal representative creates the case on CaseLines using the correct template for the relevant Court, the **case name** being that of the Parties to the case recorded in full, e.g. DLAMINI, GIDEON vs DLAMINI, SARAH; and **reference** being the case number, recorded with the year in full and without any 0 preceding the case number, e.g. 2005/44; 2012/123; 2019/93222; etc.
 - 7.2 The Applicant's legal representative must enter a prefix for the case type before the case name, e.g. Rule 43: DLAMINI, Gideon vs DLAMINI, Sarah. For Tax Court matters - the case name, e.g. Tax Court Appeal: ABC Pty Ltd

vs CSARS or Tax Court Application: DLAMINI, Sarah vs CSARS. When the case or application type changes, the prefix must be amended accordingly. Where applicable, the classification in terms of Practice Directive 2 of 2019 should precede the prefix.

- 7.3 The Plaintiff's/Applicant's legal representative must click **Get from Template** to populate the **Front Page**. No Party may add or modify any information on the Front Page. **It is for the Court Officials' Use Only!**
- 7.4 The front page must be completed by the designated court official with the correct citation of the respective Court in terms of Section 6 of the Superior Courts Act no 10 of 2013 as per Government Gazette No. 37390 dated 28 February 2014 as amended by Government Notice 408 published in Government Gazette no. 41552 dated 23 March 2018 wherein the former Local Division is conferred concurrent jurisdiction with the former Provincial Division:
- 7.4.1 In Pretoria: "IN THE HIGH COURT OF SOUTH AFRICA"
GAUTENG DIVISION, PRETORIA
- 7.4.2 In Johannesburg: "IN THE HIGH COURT OF SOUTH AFRICA"
GAUTENG DIVISION, JOHANNESBURG
- 7.4.3 In the Tax Court: "IN THE TAX COURT OF SOUTH AFRICA"
GAUTENG DIVISION
- 7.5 The case number and Parties must be completed in full on the front page by the designated court official.
- 7.6 The Applicant's legal representative selects and creates the correct and necessary sections for uploading documents in the case file. The Applicant's legal representative must upload ALL relevant documents under the respective and correct sections. Documents must be properly named and must contain

the date of upload; e.g. “*Unopposed motion_date application_18 September 2020*”.

8. Legal Practitioners representing the Plaintiff(s)/Applicant(s) in each case are directed to create all issued and pending cases on CaseLines where no electronic file already exists and which are on the roll without delay but not later than 10 days after publication of this Directive or 10 days prior to the hearing date, whichever date is first. In the event that the Plaintiff(s)/Applicant(s) fails to do so within this timeframe, the Respondent’s/Defendant’s legal practitioner is required to do so without delay but not later than 5 days thereafter, provided that a diligent search on the CaseLines caselists should be conducted to ensure that that no duplicate files are created.
9. Where a matter is ripe for enrolment on any roll, and no file exists on CaseLines, the case must be created as directed above and all documents must be uploaded by the applicant/plaintiff before the application for an enrolment date.
10. The responsibility to timeously upload pleadings, notices and legal process under the respective Sections in all cases created by Legal Representatives, save for cases initiated in the Urgent Court roll, shall be as provided in paragraphs 7 and 8 above.
 - 10.1. In matters where the case has been created on CaseLines but pleadings have not closed as pleadings are still being exchanged, the responsibility to upload the relevant pleading or document lies with the Party responsible for each particular pleading/ notice/ legal process and in line with the Rules of Court.
 - 10.2. The Judge’s Secretary shall “freeze” the case bundle and amend the Parties’ case permissions to prohibit the late filing of pleadings, notices and any legal process in line with the rules of Court and in particular three (3) days before the enrolment date.
 - 10.3. In each instance where a draft order is uploaded to the electronic file, it must be uploaded both in pdf and in an editable ‘word’ version in the correct section.

11. Service of process in terms of the uniform rules of Court remains strictly enforceable. Practitioners are referred to paragraphs 196 to 200 below. Electronic uploading of properly served pleadings/ notices/ legal process shall be regarded as compliant filing as contemplated in the Rules of Court. Such filing by uploading of served pleadings/documents/process must strictly comply with the Rules of Court as to time limit and time of day on that Court day. NO filing of hardcopy pleadings and other documents shall be allowed. The exception shall be where the Party(s) is unrepresented or in respect of urgent applications, as more fully set out herein below or in the Tax Court wherein the provisions of the Tax Administration Act (TAA) read with the Uniform Rules of Court apply.

12. Upon inviting Registrar's Office profiles to cases:
 - 12.1 Parties are directed to only invite the relevant Registrars' Office profile for specific types of matters as set out in this Directive and **not** to invite more than one or unrelated or irrelevant Registrar's Office profiles to their matters. Where this practice is noticed, the Registrar's Office is permitted to un-invite all the Registrars' Office profiles invited to a case.

 - 12.2 Parties are directed to only invite the relevant Registrars' Office profile between 09:00 and 15:00. The Registrar is to un-invite the designated profile from the CaseLines file if invitations are done outside of the prescribed hours to enforce compliance with Rule 3 of the Uniform Rules of Court.

 - 12.3 **Parties are directed to give the Registrars' Office profile all case permissions.**

 - 12.4 Registrars and Registrar's Clerks are to manage the designated CaseLines profiles diligently to ensure that matters are attended to timeously. CaseLines has a 'refresh' function to assist in noticing and attending to all developments and activities taking place in CaseLines files.

13. When applying for a hearing date, the litigating party or its legal representative shall complete and upload a date application form (as per the example annexed to this Directive) together with the Directive Compliance declaration in terms of paragraph 6

above prior to inviting the relevant Registrar's Office profile. The Registrar shall in turn record the date allocated to the matter on the date application form whereafter it will be uploaded to the electronic case file on CaseLines. The hearing date of the matter shall also be noted on the electronic case file on the platform and where the hearing date differs from the date recorded on the date application form, the allocated date recorded on the date application form shall be confirmed as the date of set down. The setting down of matters shall be done as set out further in this Directive. Under no circumstances are legal practitioners and litigants permitted to record dates of hearing on the forms, this is strictly a Registrar function and where legal practitioners and litigants are found to have done this they will be reported for gross professional misconduct and the matters involved being struck off or removed with costs.

14. In category Y-matters, upon compliance with Practice Directive 2 of 2019, the relevant Form 5 application for a certificate of trial readiness or Form 6 application for Judicial Case Management Conference hearing date must be uploaded to the electronic file in a Section named after the form uploaded. 22. Once the application for a trial date is received, the Registrar will allocate the trial date, upload the Form reflecting the allocated date and insert the date on the electronic file. The date appearing on the Form shall be deemed to be the correct date in the instance of a difference or dispute.
23. The Registrar shall simultaneously place the matter on the Court roll and invite both the roll-call Judge and the Judge's Secretary to the electronic case file where after the Registrar shall un-invite the office profile.
24. In non-Y matters, Form 4 applications for certification by the Registrar must be uploaded to the electronic file in the correct section, and the civil trials office invited to the case.

**JUDICIAL CASE MANAGEMENT MEETINGS (PRETORIA)
CASE MANAGEMENT CONFERENCES (JOHANNESBURG)**

27. The name of the Judge allocated to hear specific cases and an email address as stipulated by that Judge shall be published to the Legal Practitioner(s) by the Judge's Secretary. Thereafter, all communication between the Parties and the Judge shall take place by email, with all communication copied to all Parties, or as otherwise directed by the Judge.
28. Upon establishing access to the files, on CaseLines, the Judge who is allocated to hear the matters shall exercise a discretion as to the manner in which the matters shall be dealt with, which may include one or more of the following options:
- 28.1 Publish a schedule of times during the day at intervals as determined at the Judge's discretion, at which a video-conference shall be convened;
- 28.2 Publish a list of times at which the Judge proposes to convene a video conference which the Judge shall host and shall send a link to the email addresses of the Counsel for each Party. Counsel must hold themselves ready to join such meetings at the stipulated time or as soon thereafter as the meeting may be convened;
- 28.3 Subject to any regulations or Ministerial directions which inhibit free movement of persons, where appropriate, direct that the matters shall be heard in a physical Court room, in which case the matter(s) may be staggered throughout the day at times stipulated by the Judge to reduce exposure to physical contact among persons;
- 28.4 Any other procedure that, at the discretion of the Judge, is deemed appropriate;

28.5 In addition, when a matter is not ripe for disposal because of the dislocations caused by the disaster management restrictions, to the necessary preparation of the matter or the briefing of Counsel:

28.5.1 the Parties may by agreement remove the matter from the roll by notice;

28.5.2 or the Judge seized of the matter may *mero motu* remove it from the roll;

28.5.3 in such a case the matter may be re-enrolled, without any adverse costs consequences, on application to the Registrar.

29. Furthermore, in category Y matters where the Parties have been unable to engage substantively about the matter and for that reason the Judicial Case Management Meeting/Case Management Conference cannot be effectively conducted, the matters shall be removed from the roll, subject to the following:

29.1 In Pretoria, the re-enrolment of the matter shall take place on the initiative of the Parties on five days' notice, whereupon the Registrar shall accommodate as early a set-down as is feasible.

29.2 In Johannesburg, the "45 day requirement" for an application for a Case Management Conference shall be relaxed where such a case management conference has been removed from the roll under these circumstances.

29.3 Prior to the allocation of a date for the re-enrolment of a Judicial Case Management Meeting/Case Management Conference, the Party is to upload an affidavit confirming that all the Parties have been contacted and that an engagement between the Parties was not possible or successful.

29.4 If the re-enrolled Case Management Conference cannot take place before the trial date, that trial date shall axiomatically be forfeited. In a case where, for

this reason, a trial date has been forfeited, the Registrar shall accommodate the Parties with a new trial date at the earliest time available.

30. The Plaintiff remains *dominus litis* and is responsible for ensuring the efficient disposal of the matter.

THE CIVIL TRIAL ROLL CALL

31. There shall be no physical roll call. The current practice of civil trial allocation shall continue for the duration of the national state of disaster, Provided that where it is deemed appropriate by the roll call Judge, a virtual roll call may be convened with specific directives.

Practice Note required

32. The Parties shall upload, in the correct section, a JOINT PRACTICE NOTE after a special pre-trial conference, at which the logistics of conducting the trial are addressed, was convened. If a Plaintiff cannot obtain cooperation from a Defendant, the Plaintiff must upload its own practice note and explain why a joint practice note was impossible to be composed. A Defendant may in this instance elect to upload its own practice note and explain why a joint practice note was impossible to be composed. Lack of cooperation by either Party shall attract punitive orders by the Court.
33. The practice note must be uploaded by not later than 5 court days before the set-down date. If no practice note is timeously uploaded, the matter shall automatically be removed and the date forfeited. If the practice note is non-compliant with the practice manual or this directive, the matter shall be automatically removed and similarly the date forfeited. This directive shall be strictly applied.

The order will be transmitted by e-mail to the Parties.

39. In respect of any other matters which have become settled, and in which it is necessary to adduce evidence, e.g. to establish quantum of damages, the relevant evidence must be contained in an affidavit and annexed together with a draft order in word format, to the practice note. Any submissions that Counsel believes are necessary to advance must be contained in the practice note. If the Judge deems it necessary, Counsel shall be contacted to make further submissions in the event this is required. These can also be uploaded to the relevant section and the office profile to be invited being PTASettlements@judiciary.org.za. Any order made or granted will be uploaded to the electronic case file on CaseLines.

Johannesburg

40. In Johannesburg, in respect of “Y” matters, a statement must be made that the matter is settled, or settlement negotiations are ongoing, and the matter is therefore to be removed from the Trial roll so that the Plaintiff can apply to enrol the matter in the Settlements and Consent Orders Court roll. Settlements shall not be made orders of Court as part of the roll call or Trial court roll and no costs orders shall be made for the enrolment and appearances at the roll call.

41. Category “C” “D” “P” and “F” matters that are settled before the set down date, in terms of this directive, must:

41.1 be removed from the trial roll and set down for disposal in the Settlements Court;

41.2 and any such matter that is removed from the civil trial roll for not being ready on that set-down date (as described in paragraph 49 hereof,) and where subsequent thereto the matter becomes settled, the matter shall be enrolled in the Settlements Court for disposal.

42. The practice note must be uploaded in the correct section with an invite to the relevant office profile being JHbciviltrials@judiciary.org.za accompanied by the deed of settlement and a draft order in word format. An order in respect thereof shall be made and uploaded to the matter’s profile on CaseLines.

Matters ready to go to trial

47. All matters in which the Parties are ready and wish to proceed to trial, the Parties must indicate in the practice note:

47.1 what arrangements they have put in place for the disposal of the matter; and

48. The Judge allocated to deal with the matter shall communicate via email, or otherwise, with the Counsel. In this regard Counsel must keep themselves available to be contacted.

Matters not ripe to go to trial

49. No matter of any kind will be stood down until later in the day. Where matters are not ready for trial, they shall be removed from the roll. Should a matter later become settled, it may be enrolled:

49.1 in Pretoria on the Settlements Roll; and

49.2 in Johannesburg, in the Settlements Court,

and should not be re-enrolled on the civil trial roll.

50. Where the sole controversy between the Parties is liability for costs, such question shall be reserved for decision at a later date and shall not be dealt with as part of the civil trial roll process.

51. Civil Trial allocations shall be published by the Secretary of the DJP/ADJP, at least two days before the trial date, by email to the professional bodies and to the Parties' Attorneys at the email address given in the practice note.

Matters crowded out

52. If any matters ripe for trial cannot be allocated to a Judge, the matter shall stand over until the next Court day. It will not be necessary to replicate the practice note except where the Parties no longer require a Judge to be allocated, in which case the Secretary of the DJP/ADJP shall be notified by email thereof.

Litigants in person

53. In those cases where a Party appears in person:

53.1 and goes to the Court building, that litigant shall approach the designated official at the Court building who shall render assistance to that litigant through the use of the virtual Courtroom, or otherwise assist as directed by the Judge seized with the matter. A notice to this effect shall be posted in the foyer of the Court by the Judge's Secretary.

53.2 and if such litigant's contact details are known, the Secretary of the Judge to whom the matter is allocated or the Registrar of the Tax Court, shall endeavour to make contact to communicate the relevant information. Where such litigant has personal access to teleconferencing facilities the necessary link may be set up accordingly, if the Judge so directs.

Removal at instance of the Parties before the due date, for filing a practice note

54. If the Parties to any matter jointly agree not to deal with the matter under these conditions, the Parties must, to enable the Civil Trials Registrar or the Registrar of the Tax Court (where applicable) to compose the correct roll, at least 5 clear court days before the trial set-down date, formally remove the matter from the roll, uploaded in the correct section, with an invite to the relevant office profile being:

54.1 In Pretoria at: CivilTrialremovalsPTA@judiciary.org.za

54.2 In Johannesburg at: JHbciviltrials@judiciary.org.za

54.3 In the Tax Court: registrartaxcourt@sars.gov.za

55. No costs orders shall be made for removal of a matter in respect of paragraph 53, save by agreement between the Parties.

56. Upon conclusion of a civil trial matter, the Judge's Secretary shall endorse the case file cover (front page) and, if applicable, invite the Chief Typist in order to generate the typed Court Order. Once the order is typed, the Chief Typist shall invite the scanning section in the Registrar's office to the case.
57. The typed order shall be signed by the Registrar where after it shall be uploaded to the electronic case file.
58. This uploaded order shall be the original order and no signed orders will be provided on paper.

TRIAL INTERLOCUTORY COURT

Pretoria:

59. All matters on the Trial Interlocutory Court Roll shall be dealt with as part of the Unopposed Roll under the conditions described above. Only applications with trial dates may be enrolled in this Court roll. Applications for trial matters without a trial date must be enrolled in the Motion Interlocutory Court.

Johannesburg:

60. All matters on the Trial Interlocutory Court Roll shall be dealt with in the identical procedure to the Unopposed Roll in the Trial Interlocutory Court. 164. Any Order granted/issued shall be communicated by email to the Parties and uploaded onto CaseLines.
165. The enrollment of an allegedly urgent matter found not to warrant a hearing on this roll may, at the discretion of the Judge seized with the matter, result in punitive costs being awarded and the culpable Counsel and Attorney being ordered not to be paid any fees arising from the prosecution of such matter(s).
166. Service of process in all urgent matters shall comply with the Rules of Court. Save where required by legislation, where agreement can be reached by the representatives of all Parties to vary the requirements of the rules to facilitate a wholly electronic exchange of papers, condonation shall be granted *ipso facto*.

FILING AND SERVICE

196. As regards filing of notices or process, Uniform Rule 3 stipulates that filing may take place between 09:00 to 13:00 and 14:00 to 15:00 on Court days, apart from in exceptional circumstances or when so directed by a Judge. Practitioners are therefore required to file notices and process by uploading to CaseLines only on court days and only between the hours of 09:00 and 15:00.

197. Practitioners must adhere to the Uniform Rules of Court as it relates to service of notices and process. Thus, the uploading of notices or process to CaseLines will be regarded as compliant with the Rules of Court as the effective date of proper filing of the document, but not the service of same. Service should still be effected in terms of Rule 4 or 4A, as the case may be.
198. Originals of documents for filing shall be uploaded to the electronic case file on CaseLines in satisfaction of the provisions of Rule 4A(5). Any Party may be called upon at any time by the Registrar or by a Judge to produce the original document so uploaded.
199. Litigants are advised that they may invite the office of the relevant Sheriff to CaseLines to afford remote access to the papers.
200. In the event of non-compliance or partial compliance with any provision in a statute or by a Rule of Court to serve and file Court process and/or deliver any document ancillary thereto during the national state of disaster, and which is attributable to the strictures imposed by the national state of disaster and its implications for the litigant or the litigant's legal representatives, condonation, where required, shall be granted by a Court in respect of any shortcomings in compliance attributable to the national state of disaster.

ISSUING OF WARRANTS OF EXECUTION AND SUBPOENAS

201. Warrants and subpoenas may be submitted at Court for issuing on Mondays and Tuesdays between 09:00 and 13:00.
202. A limit of 40 warrants of execution and/or subpoenas per firm will apply per day on which submission may take place.
203. The Registrar at each Court shall make separate Deposit Boxes available for litigants to deliver requests for warrants of execution and subpoenas to be issued. A register

for warrants and subpoenas shall be available at the deposit box. All warrants and subpoenas must be recorded in the register by the person delivering it.

204. The documents must be contained in a sealed envelope marked clearly with either WARRANTS or SUBPOENAS and the name of the firm submitting them.
205. A covering letter which contains the name and email address of the responsible person who must be notified that the documents are ready for collection must be included in the envelope with each submission.
206. Issued warrants and/or subpoenas may be collected on Thursdays and Fridays between 09:00 and 13:00 from separate collections boxes for collection after the responsible person has been notified by email that they are ready for collection.
207. Requests for warrants of execution must be accompanied by a signed and stamped Court order and/or a signed and stamped taxed bill if for costs.
208. Warrants of execution against organs of State must be accompanied with proof of compliance with the State Liability Act in addition to the requirements set out in Paragraph 7 above.
209. Subpoenas *duces tecum* must make available an electronic email address to which the documents or material in question can be delivered to the Applicant.
210. Subpoenas *ad testificandum* must be accompanied by proof that the matter will be dealt with in person at the Court and the details of the relevant Judge who will be presiding over the matter.
211. Lockdown Regulations stipulate that a person may not be evicted for the duration of the national state of disaster unless a competent Court has granted an order authorizing the eviction. The Registrar will therefore not grant any warrant relating to eviction unless the Court specifically made an order authorizing the eviction during the national state of disaster.

APOSTILLES

212. The Registrar at each Court shall make a Deposit Box available for litigants to deliver requests for documents to be notarised.
213. The documents must be contained in a sealed envelope marked clearly APOSTILLES and a covering letter which contains the name and email address of the responsible person who must be notified that the documents are ready for collection.
214. When ready they will be placed in a collections box for collection and the responsible person shall be notified by email thereof.

COMMUNICATIONS WITH THE REGISTRARS AND JUDGES' SECRETARIES

215. It is important to use the correct email address for any aspect dealt with in these directives. Incorrect and abusive usage of email addresses will lead to the issue being raised in such email not being attended to. In particular, emails sent to the email address of the Judge President or the Chief Registrar regarding an issue covered in the directives will be ignored.
216. The primary channel of communication, save for CaseLines, for any aspect of any matter is to the **relevant** Registrar's email address. Enquiries or communication with specific sections must **not** be directed to or copied to the Chief Registrar.
217. It is important to furnish in any email to the Registrar the relevant email address that is to be used for any CaseLines link and for video link invitation. Failure to provide the correct information inhibits effective communication and frustration to all involved.

MATTERS IN WHICH ORDERS ARE MADE BY JUDGES IN CHAMBERS

218. All applications which traditionally are dealt with by a Judge in chambers shall only be dealt with if uploaded to CaseLines.

219. Rule 46(11) applications for the cancellation of a sale in execution are special cases: where the property which is the subject of the sale in execution is a residential property which is or was a primary residence, the application shall be dealt with in the Unopposed Court. Where the property was not a primary residence it may be dealt with in chambers.
220. The responsible Registrar shall distribute the applications to Judges to address. The Registrar will upload the Order on CaseLines no later than 7 court days after the date of the order.

MEDIA ACCESS TO COURT PROCEEDINGS RE: ACCESS BY THE MEDIA TO PHYSICAL/IN PERSON AND VIRTUAL COURT HEARINGS

221. This directive does not replace the provisions set out in the High Courts' Practice Manuals relating to requests for the media's attendance in Court proceedings unless where a deviation therefrom is specified herein and only for the duration of the national state of disaster.

Virtual Court Hearings

222. Members of the Media who wish to attend a virtual Court hearing may direct a request to the Secretary of the presiding Judge in instances where the details of the Judge hearing the matter are known.
223. In instances where the details of the presiding Judge are unknown, the request may be directed to the Secretary of the Judge President – Ms Nolene Morris at NWalkinshaw@judiciary.org.za who will direct the request to the Secretary of the presiding Judge.
224. It remains the decision of the presiding Judge to grant access to the proceedings with due regard to the nature of the proceedings, public interest in Court proceedings and the principles of open justice.

225. On direction of the presiding Judge, the Secretary will render such assistance as is necessary to ensure that the members of the media are linked to virtual hearings.
226. Virtual hearings should ideally be recorded. Subject to direction by the presiding Judge, the responsibility for recording and management of the audio recording will be undertaken by the Court, and the audio recording shall be uploaded to the electronic case file on CaseLines by the Court.
227. Members of the Media granted access to virtual hearings must mute their microphones and switch off their cameras at all times so as to minimise interference with the proceedings.
228. Members of the media may request access to Court records filed on CaseLines or through other electronic means from the Secretary of the presiding Judge, who shall subject to the direction of the presiding Judge, enable such access subject to applicable system access restrictions and protocols. To this end members of the media may have to register their profiles on CaseLines (<https://sajustice.CaseLines.com>).
229. Where feasible a web link for virtual hearings will be posted on the website of the Office of the Chief Justice and can be accessed at www.judiciary.org.za.
230. Court rolls will be published on the website of the Office of the Chief Justice and can be accessed at www.judiciary.org.za.

Physical or in person Court Hearings

231. The media may have access to physical Court hearings provided that the health and safety measures currently in place at the Court buildings are adhered to.

Tax Court matters

232. All Tax Court matters are heard in Camera to comply with the secrecy provision outlined in the Tax Administration Act.

VIDEO LINKS LOGISTICS

Unopposed Motion Court, Divorce Court, Judicial Case Management, Case Management Conferences, Interlocutory Court, Rule 43 Court, Admissions as legal practitioners and the Tax Court.

233. Each of these Courts have rolls comprising several matters. How video links are set up is within the discretion of the Judge presiding in these Courts.

234. Among the options, is for a single link to be set up at the Judge's initiative for the whole roll which is published to the Professional Bodies and relayed to interested attorneys and Counsel. The Counsel appearing shall then join the video hearing and take turns at having their matters heard.

235. The video link and/or direction by the Judge in relation to the video hearing will be communicated by email from the Judge's Secretary or ICT support staff member. Enquiries relating to video link logistics should not be directed to the Office of the Registrar.

236. Each High Court has a virtual Court set up with the necessary equipment and a Judge's Secretary to assist unrepresented Respondents/Defendants in their matters before Court. This Court is designated for unrepresented Respondents/Defendants who do not have access to IT related equipment and software and whose matters are heard virtually. The Secretary of the Judge who will be hearing the matter shall communicate such matters to the Secretary allocated in advance of the hearing so that the necessary arrangements are put in place for the hearing.

ETIQUETTE IN VIDEO CONFERENCE HEARINGS

237. The Judge(s) and legal professionals appearing in video conferencing hearings must be robed. Witnesses, litigants whether represented or unrepresented must be dressed formally.

238. Instructions for Legal Representatives and Counsel:

238.1 All Legal Representatives and Counsel should endeavour to ensure that they have a back-up electricity and a data source in the event of a power outage or load-shedding or any other electrical or connectivity issue.

238.2 The devices used should be fully charged before the hearing and be kept on charge during the hearings so as to allow the hearing to proceed in the event of a power outage or load-shedding.

238.3 Legal Representatives and Counsel should ensure that the physical background of the room from which they are conducting the hearing accords with the decorum of a formal Court sitting and has nothing bright or distracting. Legal Representatives and Counsel must also ensure that no other person (or pet) should enter or move around the room during the course of the hearing.

239. In addition to the above directions, the further conduct of the hearing will be dealt with via *ad hoc* directives issued by the presiding Judge.

240. Legal Representatives and Counsel appearing shall remain in the hearing and leave only when the proceedings have concluded, alternatively, with leave of the presiding Judge.

241. The Judge(s) shall give instructions as to the recording of the proceedings:

if the Judge or the Judge's Secretary or a Stenographer records the proceedings, the Judge shall retain the audio file, until such time as the Registrar can take custody thereof. Such record must be availed to any Party who was involved in the hearing upon request.

UPHOLDING THE INTEGRITY AND AUTHORITY OF THE COURT

242. All the participants, including legal practitioners, in hearings whether they be virtual or physical are under a duty to conduct themselves in a manner that upholds the integrity, authority and respect for the Court. The failure to do so constitutes contempt of court and the Judge presiding would under such circumstances consider the use of one or more or all of the following options:

242.1 Remove the offending individual from the virtual platform and/or adjourn the proceedings to another day with an appropriate personal order as to costs against the party or individual responsible for the disruption.

242.2 Immediately institute contempt proceedings where this is possible.

242.3 Commence with contempt proceedings where the circumstances do not make it possible to do so immediately.

242.4 Bring the matter to the attention of law enforcement authorities.

242.5 Bring the matter to the attention of the Legal Practice Council.

GENERAL CONDITIONS UNDER WHICH PARTIES MAY ENTER THE COURT BUILDING WHERE A PHYSICAL HEARING HAS BEEN DIRECTED BY A JUDGE

243. Legal representatives, Counsel, litigants, Government officials including members of SAPS and Correction Services and members of the public who have reason to enter the Court building must comply, where applicable with any restrictions that may be imposed in relation to the national state of disaster. Persons with no discernible business inside the Court building will be denied access into the Court building.

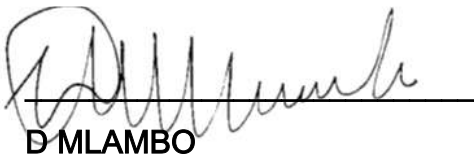

244. Anyone seeking access into the Court buildings must submit to compulsory screening, must wear a face mask and must adhere to applicable social distancing rules and sanitising protocols.

245. Any Party who does not wish to have her/his matter dealt with under the conditions described in this directive may remove the matter from the roll, in line with the provisions set out above.

246. Orders of the Court shall be prepared on the provisions set out above and thereafter uploaded to CaseLines.

QUICK REFERENCE GUIDE

247. Enclosed with this Directive is a **Quick Reference Guide to the CaseLines system** which sets out guidelines to a user on the process of registration through to the hearing of a case.
